

## **FOOTWEAR POLICY**

Within Bowden House Day Nursery we strive to promote a healthy environment for the children in our care. It is our belief that the wearing of outdoor shoes not only brings dirt and germs into the setting but does not promote healthy feet by wearing the same footwear all day. It is our policy with regard to both children and staff that the following procedures are adhered to;

1. Children and staff are required to change into indoor footwear on arrival to nursery.
- 2 Any visitors to the setting will be required to wear disposable overshoes.
